We're on track for next week. We found another driller, made arrangements to have the site mowed, and scheduled the locate guy. Are you available later this morning for a call? I've got a conference call scheduled with Bill at 9am. Can you do 10am?

Jose, how are we doing on scheduling for next week at Hope. Have you been able to talk with the locate guy since we last talked? If so, do we have another driller lined up?
